Arrival by Train

Your final destination is Pforzheim Hauptbahnhof (central station). Please find out about your train connections to get there by using the following link:

[Deutschen Bahn AG](#)

After your arrival in Pforzheim there are two options:

Firstly:

As you leave the building, walk on by the taxi stand to your left. Approximately 20 metres further on you reach a roofed bus-stop. On "platform 5 ZOB Mitte", the bus company Schuhmacher provides bus line 742, with the destination "Neuhausen". Preferably tell the driver in advance that you want to get off at the "Tagungshaus" in "Hohenwart". The ride from Pforzheim Hauptbahnhof to Hohenwart takes about 20 minutes. From the bus-stop in Hohenwart to our convention center it is an 8-minutes'-walk. We can provide bus schedules; otherwise check the [Electronic information about schedules](#) for the state of Baden Württemberg.

Secondly:

As soon as you arrive at Hauptbahnhof Pforzheim, order a taxi by calling the company Minicar, phone: 07231/44 44 44. Keyword for the driver is "Tagungsteilnehmer im Hohenwart Forum" – which means you are attending a meeting in our convention center. Meeting point is the handicapped parking at the right side of the station entrance. For the taxi ride from Pforzheim Hauptbahnhof to the "Hohenwart Forum" we have arranged for a special price of 15,00 EUR.
