

Call for KSOP Scholarships for Doctoral Researchers

Application Deadline: July 1, 2023

KSOP calls for applications for financing doctoral researchers via funds of KSOP. All PIs are eligible to apply for this funding for which the following conditions apply:

- The application must refer to a specific candidate.
- The earliest possible start date of the scholarship is August 1, 2023.
- The latest possible start date of the scholarship is October 1, 2023.

The decision on awarding the scholarship will be made on July 11, 2023, at the Executive Board meeting.

Criteria that will be applied are:

- Excellence of the candidate based on the Master's degree and additional achievements
- The letter of recommendation should include the added value of the project for KSOP and the clear commitment to funding the candidate for the duration of the project from other funds.
- KSOP funding situation and history of PI.
- The scholarship will not be counted towards the "contingent", i.e., it will be allowed to have two overlapping scholarship holders in the respective research group.
- The application has to be handed in via the KSOP application portal
